

A gourmet sandwich is the central focus, resting on a piece of parchment paper atop a dark, weathered wooden surface. The sandwich is built on a round, golden-brown crusty roll. It is filled with layers of sliced pink ham, melted yellow cheese, vibrant red tomato slices, and fresh green arugula leaves. In the background, another slice of ham is visible on a wooden board. The lighting is warm and directional, creating soft shadows and highlighting the textures of the ingredients and the wood.
